5. Children must respect property and belongings at all times.
6. Appropriate language should be used at all times.

8. If you have to leave the hall for any reason, please ensure you put your shoes/trainers back on again, and **do not walk** across any part of the badminton courts.
9. Shoes/trainers must be kept on until all equipment is out and set up correctly.
10. Please help clear up at the end of the session by returning the crash mats to the storage area. Only those who have been trained should put away trampolines. This does not apply to the first 2 Sunday sessions.
11. Please purchase any necessary drinks and food **on the way in to the session**, to assist with the running of the session. No fizzy drinks please. Please use sports bottles only.
12. Suitable sports clothing must be worn – no jeans. Socks must be worn whilst on the trampolines.

20. If you are away for an extended period or you do not intend to return please notify the Club so that your space can be allocated to the next person on the waiting list. This can be done via our website or Facebook page.

GYMNASTICS CLUB

Dear Member, Parent or Guardian,

Did you know that joining our club includes becoming a member of British Gymnastics, the national governing body for gymnastics in the UK? In the past we have sent members' details such as names, ages and addresses to British Gymnastics to allow them to activate personal member benefits for you, such as insurance and discounts, and to send out your membership pack.

From October 2017, to comply with new General Data Protection Regulation (GDPR) we will no longer be able to pass on these personal details to British Gymnastics. We are therefore asking all members (or your parent / guardian if you are under 16 years old) to sign up or review your British Gymnastics membership directly through the British Gymnastics website. We will collect British Gymnastics and club membership fees and pass on your payment to British Gymnastics once you have confirmed and updated your personal details on their website.

In addition to British Gymnastics you also need to pay Wight Flyers club membership. This helps to pay for the running costs of the club such as supporting our coaches and judges with their education, general administration, replacing equipment and general maintenance.

New members are entitled to 2 trial sessions with the Club, after which you will need to go to the British Gymnastics website to complete your membership renewal process. and pay your British Gymnastics membership fee and club membership fee to the club.

This process creates your vital insurance cover. Until that registration process is completed on the website, you will not be able to attend our classes.

The registration system on the British Gymnastics website is quick and easy to use by mobile phone, tablet, computer or laptop. British Gymnastics will activate membership and insurance cover immediately as well as sending your membership confirmation and membership benefits information by both post and email. British Gymnastics will notify us when you have completed your registration.

We'll give you more information to help you with this process before memberships are due in October. Thank you for your patience and co-operation with this change.

This year we are starting to use a software program to help us manage our registers and waiting lists and you will also be directed to this.

Yours faithfully,

John Leman
Club Secretary
